GUIDELINES FOR SUBMISSION OF ARTICLE TO TECHNO SCIENCE AFRICANA JOURNAL

All manuscripts will be reviewed by two or more assessors to ensure accuracy and relevance. Based on the assessors' recommendations, a manuscript may be corrected by the author before final acceptance. Authors whose papers have been accepted for publication will be notified in writing. The Techno-Science Africana Journal may not enter into correspondence with authors whose paper is found to be not publishable. If you have any additional questions, Please do not hesitate to contact us at the address below.

Kano University of Science and technology, Wudil

P.M.B. 3244, Kano State, Nigeria.

e-mail: editorial@kustwudil.edu.ng

GSM: 08023627191, 08141826433

SUBMISSION OF MANUSCRIPT

Three (3) copies of manuscript of article should be submitted to the editor in chief with a processing fee of N3000. Manuscript will be put in review only if the same paper has not been published elsewhere or considered for publication by any other journal.

A soft copy of the article should be in Ms word compatible format and be submitted with final revised manuscript in A4 size with wide margins, double space and should not be more than 12 pages. Any additional page attracts extra charge. The abstract should be written also in not more than 250 words. References, tables, figures and captions should be included.

GENERAL INFORMATION

GENERAL INFORMATION

Manuscript must be legible, with key word used, and each symbol properly aligned to distinguish superscript and subscripts.

FORMAT OF PAPER

The paper should contain the following: Title of the paper, Abstract, introduction, Materials and Methods, Results and Discussion, Tables and Figures, Conclusion, Acknowledgement, References. Each author should state clearly full name and affiliation (eg. Department or Division, Institution, Address, State etc.). If there is more than one author, indicate corresponding author.

REFERENCES

References to the publications should be in Harvard style, should contain full bibliographical details, Journal title should not be abbreviated. For multiple citations in the same year a,b,c should be used immediately following the year of publication.

NOTE:

Errors must be minimal, and no addition should be made to the corrected text. Corrected paper must be returned (written in CD) in good time of receipt to the Journals production Department with publication fee of N9000:00

Each corresponding author is entitled to a full copy of the published Journal in which his article appears. Along with the page proofs, the corresponding author will receive a form for ordering reprints and extra full copies of the issue in which his article appears. All co-author reprint and full copies requirement should be included on the order form.

TABLE OF CONTENTS

TAKAGI-SUGENO FUZZY MODELING OF A MAGNETIC LEVITATION SYSTEM Muhammad, M. and Mustapha, M.	1
ECONOMIC ANALYSIS OF INVESTMENT IN ANIMAL TRACTION IN KANO STATE Sabo Ahmad Sa'id and Balarabe Usman Kibya	11
PERCEIVED SATISFACTION INDICATORS FOR URBAN HAUSA TRADITIONAL HOUSE RESIDENTS IN KATSINA CITY Babangida Hamza	20
